If you have not registered for the new garden waste collection, you may still register for the next phase of the service, planned for autumn 2014. For more information visit [www.rother.gov.uk/gardenwaste](http://www.rother.gov.uk/gardenwaste)

## Please Note

From the start of the new recycling service cardboard will not be recycled in your garden waste bin. It will be recycled with your other recycling.

When the new service starts we will only collect garden waste from the new brown wheeled bin. If you have not registered for the garden waste service and are unable to compost please take your garden waste to your local Household Waste Recycling Site.
