

Will you Champion the Franchise?

We are looking for organisational franchise champions who care about people's right to vote, and can be proactive in supporting individual electoral registration.

FRANCHISE CHAMPIONS MAY BE STAFF, VOLUNTEERS OR MEMBERS OF USER LED GROUPS.

Franchise Champions

- Spread the positive register to vote message
- Help people understand our letters
- Help people who have limited computer skills to register to vote online
- Explain people options if they have "special circumstances" affecting how they register and how they vote
- Let us know if your organisation runs short on resources like leaflets and posters

Champions should not give advice but they can signpost electors to appropriate support and information.

To request leaflets or posters, for more information or to arrange a meeting email us at elections@rother.gov.uk

We will give champions a direct line and named contact once they have expressed interest.
