Dear Mr Long of Bidwells

Rother District Council – CIL Examination

The Examiner, Mr Kemmann-Lane, has asked me to write with regard to your representation on the Rother CIL Draft Charging Schedule on behalf of Bovis Homes Ltd.

In your representation you state that your client wishes “to register a holding representation and reserves the right to provide more definitive answer on the CIL Charge rate and site viability potentially through written statements prior to the CIL examination”. Of course, as you will be aware, the examination is now underway and a hearing date of 14 July has been arranged.

It is therefore imperative that you supply any further response as a matter of urgency. The Examiner will not accept any evidence that has not been available for comment by Rother District Council prior to the hearing date. Please let me know by return if it is your intention to submit further representations with evidence: if you are so intending, it will be expected that this will be submitted by close of business on Friday 19 June.

This letter is being copied to the Council.

Yours sincerely

Lynette
