Request/Response

How much money the council has spent on recycling in each year since 2009-10.

Information regarding waste and recycling collections can only be provided for Rother's current collections contract 2013/14 to the present day.

| | 13/14 | 14/15 | 15/16 | 16/17 | 17/18 | 18/19 |
|--|-------------|-------------|-------------|-------------|-------------|-------------|
| co-mingled recycling collection and bring sites | £520,473.45 | £554,410.10 | £568,055.18 | £583,275.50 | £654,994.76 | £689,844.68 |
| Garden waste collections | 399,055.73 | 386,325.12 | 405,711.94 | 406,867.80 | 417,881.53 | 427,998.80 |

The number of recycling points in the area covered by the council each year since 2009-10.

- 13/14 41 recycling points
- 14/15 41 recycling points
- 15/16 41 recycling points
- 16/17 40 recycling points
- 17/18 30 recycling points (adjusted as incorrectly included East Sussex County Council sites (5) plus removal of (5) other sites in kerbside recycling areas that were seeing minimal use.
- 19/20 28 recycling points (removal of 2 sites on private land, by request of the landowner)

The number of household waste recycling centres in each year since 2009-10.

The number of hours household waste recycling centres have been open each week in each year since 2009-10.

We do not hold this information. The HWRS belong to East Sussex County Council (Waste disposal authority). Rother District Council is the collections authority.

The percentage of household waste recycled in the area covered by the council in each year since 2009-10.

(Please see attached) Quarterly extract from Rother District Councils Waste Dataflow returns.

The percentage of waste from council buildings recycled in each year since 2009-10.

Rother District Council do not receive tonnage data for our office buildings as we receive a commercial collection. Rother District Council have both waste and recycling containers located at its office sites.
