- The number of full time equivalent staff delivering street cleaning services in each financial year since 2009-2010

Our waste, recycling and street cleansing contract is outsourced to Kier Environmental Services Ltd. Rother District Council do not hold information regarding their annual staffing levels on a year by year basis.

The average number of miles of road cleaned per week, in each financial year since 2009-10.

Rother has just over 750 KM of highways that we have a statutory duty to clean. The street cleansing part of our contract is standards based rather than frequency based. Our contractor is not contractually required to clean roads to defined schedules but must implement their resources in a manner to maintain Code of practice for litter and refuse (COPLAR) standards.

The number of complaints received by the local authority in relation to cleanliness of streets in each financial year since 2009-2010

Rother do not hold this information. Complaints are recorded by department and are not broken down further into specific service areas such as street cleansing.
