Responded 5/7/2019

Request/Response

Please can you provide figures for the year(s) 2016, 2017, 2018 outlining the rates of overall recycling by households in your council area?

This information is available to you within waste data flow

Please visit and register at <https://www.wastedataflow.org/login.aspx> . Anybody can register for public access to WasteDataFlow. You can then run reports on the waste and recycling figures reported by all the local authorities in the UK.

Please can you also provide figures for the years 2016, 2017, 2018 outlining how much of the items put out to be recycled ended up being sent to a landfill and/or incinerated instead i.e. plastic

This information is also available to you within waste data

Please can you confirm how often you run the following services:

- A. Garden waste collections - Fortnightly
- B. Recyclable waste collections – Fortnightly
- C. Household waste collections - 37000 Fortnightly 7000 Weekly sack collections

Finally, can you please confirm of the three above services listed that you offer to households in your area, whether or not any of these are out sourced to private companies. If yes, please specify which.

In the years that you specify above all these collection services were outsourced to one contractor which was Kier Environmental Services. On 29th June 2019 we have entered a new waste contract with Biffa Municipal who will now be providing the above collection services.
