

Rother Local Plan Core Strategy

ERRATA

Issued 4th June 2015

Introduction

The following typographical errors have been identified in the printed Core Strategy. The online pdf document has been amended to rectify these errors, while they have also been corrected in hard copies available from this date.

Any copy purchased before 4th June 2015 will be exchanged free of charge.

Chapter, page	Correction	Reason
Index of Policies	Policy OSS3 – ‘Location of development’	Typo
Ch 16 – Economy, page 137	Replace criteria (i) – (vii) of Policy EC2 with the following: (i) provision for some 100,000 sq m of employment floorspace over the Plan period, with the majority following on from construction of the Hastings Bexhill Link Road; (ii) increasing the supply of high quality employment sites, including new major business sites at Bexhill; (iii) securing a range of incubation space, small and medium sized sites and units across the District in line with the respective spatial strategies, and particularly in settlements with good strategic access, including through mixed use developments; (iv) providing for business development in locations that make effective use of rail and water transport opportunities, notably at the Port of Rye; (v) seeking town centre, or edge of centre, sites for offices, including as part of mixed-use developments.	Typo. (Policy criteria of Policy EC1 were copied across to Policy EC2 in error. The correction reinstates the adopted wording for Policy EC2.)
