Request

1) When someone applies for private hire or hackney carriage driver licence, do you ask if they have been licensed by another council? **Yes**

2) If yes to question one, do you contact the other council for information and what information do you ask? **Yes. We do not have standard questions, we would ask questions appropriate to the circumstances**

3) Do you do a yearly DVLA driving licence check for all of your licensed private hire and hackney carriage drivers, whether their licence is due for renewal or not? This is an annual inspection including mid-term licences, not a three yearly inspection or inspections on renewal. **No**

4) If yes to question three, is the check done by the council or does a third-party do the check? **N/A**

5) Do you do a mechanical testing of vehicles wishing to be licensed as private hire or hackney carriage vehicles at a council owned testing garage? **No**

6) If yes to question five, what is DVSA (VOSA) rating of your garage? **N/A**

7) If no to question five, who conducts a mechanical testing of the vehicles? **Our list of testing stations is available on our website at <http://www.rother.gov.uk/article/7311/Vehicle-Compliance-Testing>**
