Subject: (NE ref - 230371) Salehurst & Robertsbridge Neighbourhood Plan - revised SEA (Rother DC)

Dear Cheryl Poole,

230371 – Salehurst and Robertsbridge Neighbourhood Plan Revised Strategic Environment Assessment (SEA).

Thank you for consulting Natural England on your revised Neighbourhood Plan SEA. I note that Natural England were not consulted on the original SEA.

It is our advice, on the basis of the material supplied with the consultation, that, in so far as our strategic environmental interests are concerned (including but not limited to statutory designated sites, landscapes and protected species, geology and soils) are concerned, that there are unlikely to be significant environmental effects from the proposed plan.

For any queries relating to the specific advice in this letter only please contact Rebecca Bishop on [REDACTED]. For any new consultations, or to provide further information on this consultation please send your correspondences to consultations@naturalengland.org.uk.

Yours Sincerely,
