2 June 2015

Dear Representor

Rother District Council – CIL Examination

I understand from the information provided to me by the Rother District Council that you/your organisation submitted representations on the Council's Draft Charging Schedule Pre-Submission Consultation. I should like to take this opportunity to introduce myself as the Programme Officer responsible for assisting the Examiner with all aspects of the examination administration.

As you may know, Mr Terry Kemmann-Lane JP, Dip TP, FRTPI, MCMI of the Planning Inspectorate has been appointed as Examiner to conduct the Examination.

The Hearings to consider representations to the proposed draft CIL Schedule will begin **on 14 July 2015 starting at 10.00am** at the Rother District Council Offices, see the address above. On the basis of present information, the Examiner expects to conclude the Hearings in one day. The Examiner will be raising a number of questions shortly, which will be copied to you, and will issue an agenda for the Hearings in due course.

If you have previously indicated that you wish to take part in the Examination Hearings I should be grateful if you will confirm this to me. All documentation relating to the Examination will be circulated to those appearing and they will also be placed on the LPCS Examination website for the interest of all parties:

<http://www.rother.gov.uk/article/11117/CIL-Examination>

If you have any queries concerning any aspect of the Examination, please do not hesitate to contact me.

Yours sincerely

Lynette

Programme Officer
