For the attention of [REDACTED]

19<sup>th</sup> March 2019

Dear [REDACTED]

**Nomination for an Asset of Community Value  
Gulliver Sports Ground  
Glovers Lane  
Bexhill TN39 5AJ**

**Your Ref: CH/CA024**

I am writing to inform you that the Heart of Sidley Big Local Partnership wishes to express an interest in bidding for the above named asset.

Rother Voluntary Action has been asked to submit this interest on behalf of the Partnership as the Locally Trusted Organisation and a key stakeholder in the Heart of Sidley Big Local. This resident-led initiative is funded to £1.1 million by Local Trust from Big Lottery funding and is starting Year 5 of its 10 year programme. Optivo is its second main stakeholder and all decision making is undertaken by a resident-led partnership, currently 11 Sidley residents.

The decision to express an interest in bidding was made at the Heart of Sidley Partnership meeting held on Thursday 14<sup>th</sup> March 2019 and the minute (Item 6) reads as follows:

*"RDC received notification that the owners of Gullivers wish to dispose of the land. Gullivers is listed as an asset of Community Value. A community group can express their interest to RDC to bid for the land. There is a 6 week window to express this interest – until 5 April 2019. A letter or email must be sent to RDC from a community group. This will protected the land for a further 6 months. The developers have not withdrawn their planning appeal to the Planning Inspectorate.*

*Agreed unanimously for RVA to send Expression of Interest to RDC for Gullivers land."*

Yours sincerely,
