Dear Cheryl

I am writing to object against the development of the Vicarage site in Fair Lane, Robertsbridge

① The Cottages are early 14th century and when a heavy lorry or Van goes pass they vibrate

② The road is far too narrow and the Heavy Vehicles will damage the house's

The parking in Fair Lane, is already congested, cars are getting scrapped and dented, we have it even got resident parking.

The Character — This development would have a detrimental impact on the character and appearance of Fair Lane and the surrounding concentration of the listed buildings, in the summer we have a lot of people taking photos of our Cottages

So I object to the proposed development
