**Locate East Sussex** helps small and medium-sized businesses based in or looking to move to East Sussex. We work with growing companies to achieve their business goals.

### Delivered at no cost to the business

We offer you clear, constructive and consistent advice and practical support that combines business and finance expertise with local industry and geographical knowledge. This service is delivered at no cost to you as funding has been secured from East Sussex County Council, the District and Borough Councils of East Sussex and the European Regional Development Fund.

### An expert team complemented by an extensive network

We work with a network of organisations to ensure you get the very best help and assistance you need to grow a successful business in East Sussex. These include local planning and economic development teams, Chambers of Commerce, Business East Sussex, Team East Sussex, Skills East Sussex, Green Growth Platform, University of Sussex, University of Brighton, Department of International Trade and Let's Do Business Group, to name a few.

LOCATE EAST SUSSEX

## LOCATE EAST SUSSEX

Our activities are focussed on helping East Sussex-based companies and attracting new companies to the county. We are working to bring in new investment to support the economic growth of the county.

- Help finding commercial premises

# How can we help you?

Delivering support to help you succeed.

## Free Business Support & Coaching

Our business managers provide tailored one-to-one coaching and advice to business owners and senior directors. Our team provides clear, impartial advice and practical support ensuring you receive help tailored to your specific business needs.

Whatever size or stage your business is at, we can assist you with the right information and the right support, guiding you to identify your goals and develop your business plan.

## Funding

We have direct access to various business funding schemes. If you are eligible, we will support you to access this funding to expand or relocate your business, launch a new product or service, buy new equipment, refurbish your current or new premises and create jobs.

## Commercial Property

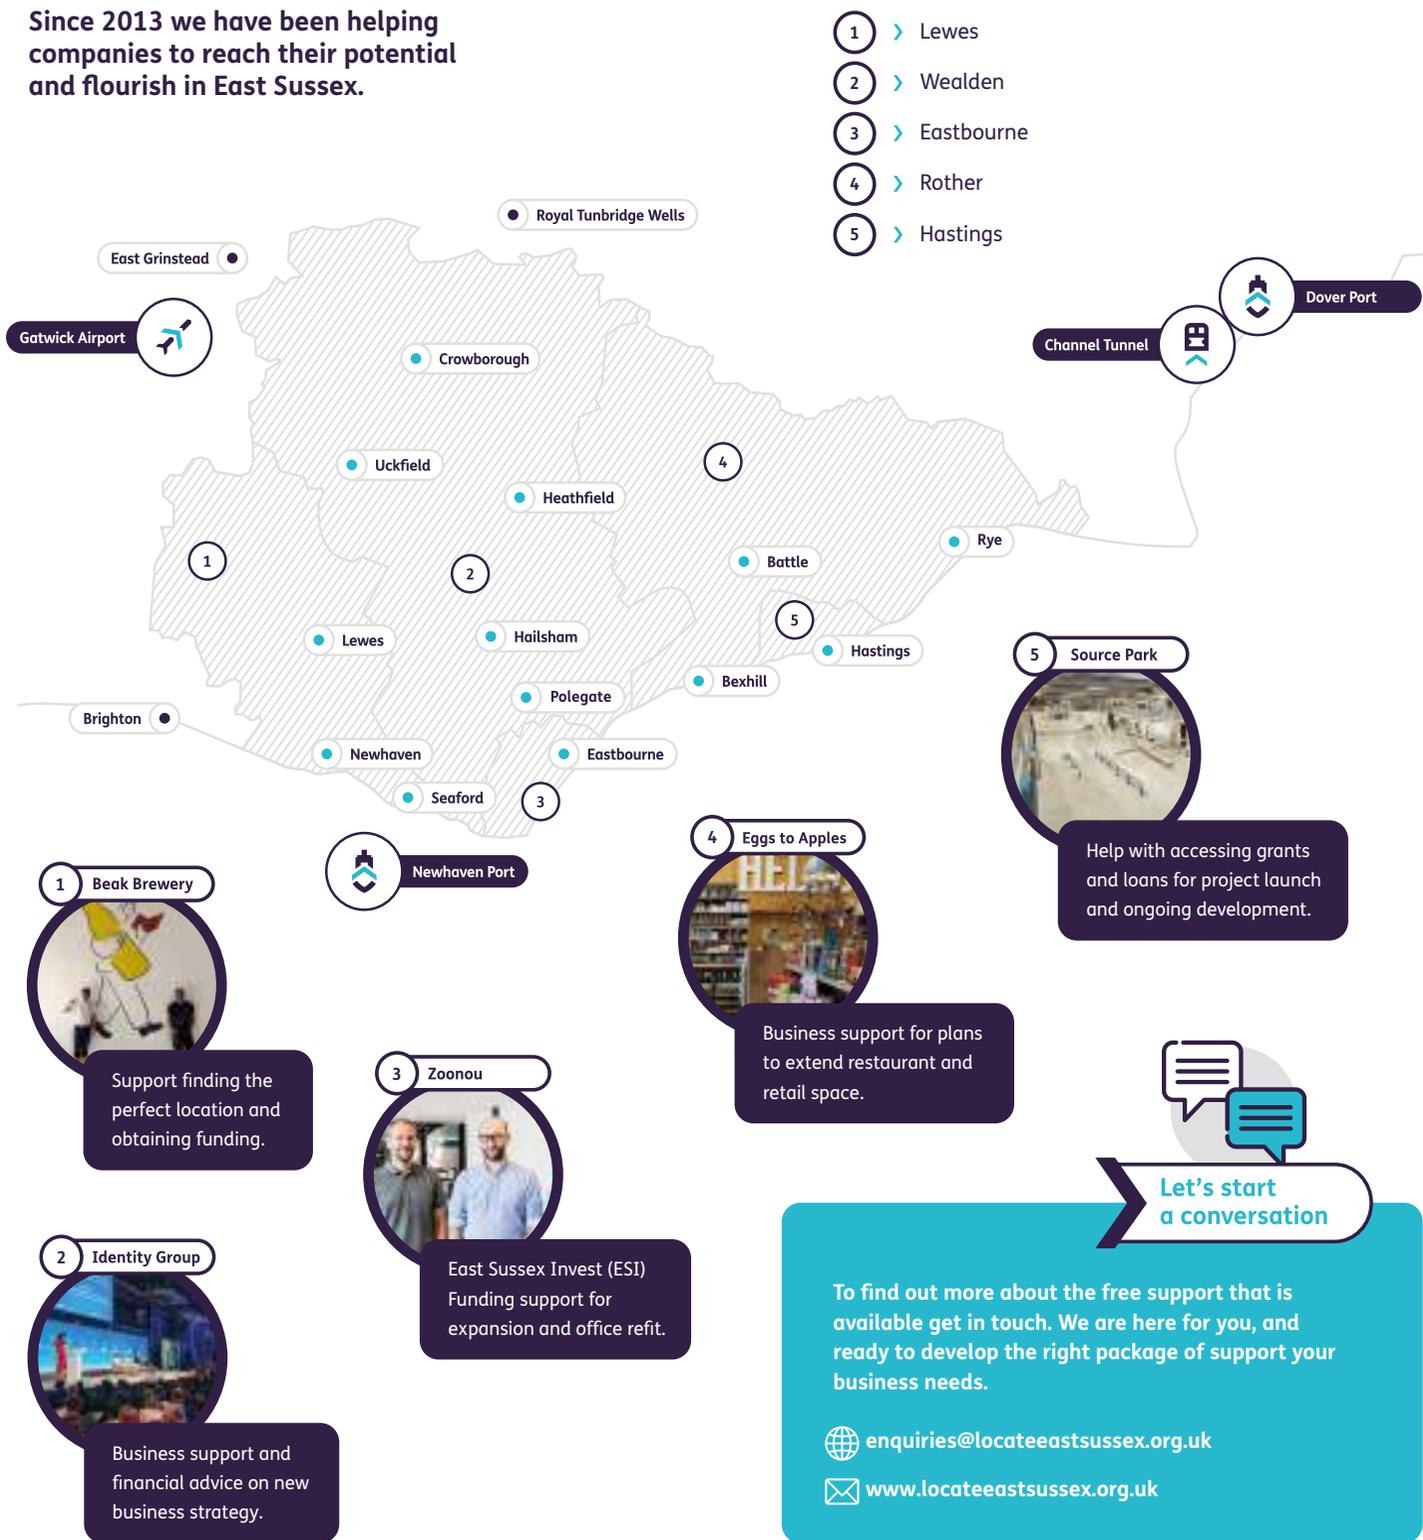

If you are looking to grow, we will help you to find the ideal location including new premises, office space, workshop or studio space, factory units, warehouses, incubation and co-working spaces.

## Innovate Your Business

Introducing new technologies, products and services into your growth strategy can help you reach new levels of productivity, investment and business growth. We can help you to develop your ideas, adapt to changes in the marketplace and build valuable relationships with our partners, gaining access to their research and enterprise opportunities and talent pool.

Since 2013 we have been helping companies to reach their potential and flourish in East Sussex.
