

## Environmental Information Regulations Request No. 6250

Received 12/5/2021

Responded 24/5/2021

### Request/Response

1. Total income from residents for bulky item collections service in a) 2019 and b) 2020

**Bulky waste income:**

1/01/2019 – 31/12/2019 - £53,264.50

1/01/2020 – 31/12/2020 - £72,535.17.

2. total income from business and commercial waste disposal service in a) 2019 and b) 2020

£0

As a local authority we do not provide waste clearances for business or commercial premises. Disposal is only from domestic council tax paying properties.

3. total expenditure for removal and disposal of items dumped illegally, eg fly tipping in a) 2019 and b) 2020

2019 £26,979.87

2020 £61,453.08

(Please note we entered a new waste contract in July 2019) removal of fly tips are now charged at a higher rate £65 as opposed to £45 per fly tip removal in previous contract.
